

ID: ORHRM-001

Summary: Change Password > After updating the password cannot login with updated password.

Environment: Demo

URL:

<https://opensource-demo.orangehrmlive.com/web/index.php/pim/updatePassword>

Steps to Reproduce:

1. Go to profile at the top right corner.
2. Click on the “Change Password” option.
3. Enter current valid password in “Current Password” field.
4. Enter new valid password in “Password*” field.
5. Again enter new valid password in “Confirm Password” field.
6. Click on “Save” button.
7. Go to the Login Screen.
8. Provide valid username and updated password.

Update Password

Username

Admin

Current Password*

Password*

Strong

For a strong password, please use a hard to guess combination of text with upper and lower case characters, symbols and numbers

Confirm Password*

* Required

Cancel Save

Actual Result:

After updating user cannot successfully login with updated password and providing old password user can successfully login.
